

Goshen Community Schools REDHAWK ONLINE ACADEMY

An online learning community staffed by well trained, creative, and personable teachers who are ready to challenge students to become great learners.

STUDENTS

- Will be online and prepared for learning during the scheduled school hours.
- Will complete assignments in a timely manner.
- Will engage in all "online" learning & projects.
- Will be "camera" ready for online class and have your face visible.
- Will abide by student handbook guidelines on proper school attire and behavior while online.

Elementary
Monday – Friday
7:50am – 1:30pm

Middle School
Monday – Friday
8:30am – 3:45pm

High School
Monday – Friday
8:25am – 3:35pm

ELEMENTARY

- Grades K – 5 (Dual immersion is not available online.)
- Students will have hands-on learning and group projects.
- Teachers will model concepts with "live" scheduled sessions and keep regular hours during the school day.
- Curriculum will be standards-based with time spent in reading, writing, math, science and social studies, as well as "specials" or related arts.
- Students will be held to the same learning expectations as in-building learners.

MIDDLE SCHOOL

- Grades 6-8
- Students will have "live" scheduled learning with their teachers during regular school hours.
- Curriculum will be standards-based in all content areas.
- Students will be expected to engage with their peers and complete independent work.

HIGH SCHOOL

- Grades 9-12
- Curriculum will be self-paced utilizing the APEX learning platform.
- Students will be assigned to a homeroom teacher who will monitor their progress and attendance.

STUDENTS MAY BE INVOLVED IN
SPORTS, PERFORMING ARTS AND
OTHER SCHOOL ACTIVITIES.

TEACHERS

- Will be working during scheduled school hours.
- Will be working in the building.
- Will be taking attendance at the beginning of the day.
- Will give prompt feedback on student work.
- Will provide scheduled "online" meeting times in large and small groups.
- Will provide weekly expectations for their students.

PARENTS

- Will provide a dedicated work area for their children that is reasonably free from distraction.
- Will help younger students be prepared and online during scheduled classes and assist with schoolwork.
- Will be engaged in Canvas, SeeSaw, Skyward and other required learning systems.
- Will communicate with teachers during regular school hours.

Inspiring Innovation. Empowering Potential. Enriching Our World
