This shall not apply to employees who do not qualify for a benefit under the terms of a benefit plan that requires a minimum number of hours worked. Examples: Job sharing teachers will receive proportion of fringe benefits and personal and sick days in proportion to their contract; part time employees will be given prep time in proportion to their contract.

## Article II- SALARY / WAGES

II. SALARY

A. COMPENSATION PLAN

**Salary Range and Minimum Salary.** The salary range prior to any raises under this year's collective bargaining agreement was \$43,000 to \$75,025, not including current year increases or TRF contributions. The minimum new hire salary is \$45,100.

## B. BASE SALARY INCREASES

### 1. General Eligibility

- a. In order to be eligible for a salary increase a returning teacher must have been employed for at least 120 days in the prior school year and have received a rating of effective or highly effective.
- b. A teacher who received an evaluation rating of ineffective or improvement necessary in the prior school year is not eligible for placement on the new salary schedule or for a salary increase and will remain at their prior year salary.
- c. Notwithstanding the above, to the extent permitted by law, a teacher in the first two (2) full school years of providing instruction to students who receives a needs improvement rating may be eligible to receive an increase under this compensation model. The first two years shall also count towards the teacher's effective years of experience.

### 2. Factors and Definitions

- a. *Salary Schedule* – The attached Appendix A includes the 2022-2023 salary schedule and proposed new salary schedule for 2023-2024.
- b. *Evaluation factor* – The teacher received a highly effective or effective evaluation rating for the prior year.
- c. *Years of experience factor* – The total of the teacher's effective years of employment at Goshen Community Schools plus the years granted to the teacher by Goshen Community Schools at the time of the teacher's hire.
- d. *Education factor* – The teacher possesses a master's degree in a content area as defined by the Indiana Department of Education.
- e. *Academic need factor* – The academic needs factor is a teacher retention catch-up and is defined as the need to retain teachers with one or more years' experience by increasing current eligible teachers' salaries to the levels on Appendix A comparable with their education and experience.

### 3. Advancing to and on the New Salary Schedule

- a. An eligible teacher who satisfies the Evaluation factor will move up one level, if available, on the applicable column of the 2022-2023

salary schedule, then move over to the same level and column on the 2023-2024 salary schedule.

- b. After moving to the level and column under subparagraph a, an eligible teacher in the first year of meeting the Education factor will then move from the Red (Bachelor) column to the Hawk (Master's) column on the 2023-2024 salary schedule.
- c. An eligible teacher who is unable to move up a level on the Hawk (Master's) column under subparagraph (a), above, due to being at the top of that column, shall receive a bonus stipend of \$1,050.

- 4. Redistribution. In determining the total amount available for raises, the savings attributable to those whose ratings are ineffective or needs improvement have been taken into account so no redistribution is necessary.

#### C. NEWLY HIRED TEACHERS

- 1. Newly hired teachers will be placed at a salary Level and Column on Appendix A based on the comparable years of service and education (up to eight years). Notwithstanding the eight-year restriction in the preceding sentence, when the teacher is hired in an area of limited supply, the Superintendent may recognize additional (not to exceed actual) levels on the salary schedule. The schedule for new hire salaries for the 2023-2024 school year is included in Appendix A.
- 2. In lieu of or in addition to any adjustment in starting salary under the preceding paragraph, a newly hired teacher that fills a critical needs position may, at the discretion of the Superintendent and in consultation with GEA president, be paid a bonus stipend of up to Five Thousand Dollars (\$5,000), provided that the total amount of such bonus shall not exceed \$20,000 per school year. The consultation referred to in this provision shall not be construed as an obligation or permission to bargain.

#### D. EXTRA-CURRICULAR PAY SCHEDULE -APPENDIX D

Positions on the 2023-2024 extra-curricular schedule are in Appendix D. The number of positions identified in Appendix D is for information only and is intended to reflect the currently anticipated staffing; it does not limit or restrict the Board's right to determine the number of such positions after discussion with the Association. A position or the number of positions established by the Board may

be shared, and the associated compensation split, among more than that number of employees with the approval of the Superintendent.

##### I. LEAVES

##### A. PERSONAL LEAVE

Each teacher employee shall be entitled to three (3) days for the transaction of personal business and/or the consideration of personal or civil affairs during each school year without loss of compensation. If a personal leave day is used on the day prior or after Thanksgiving Holiday or Spring Break a written description of the reason and necessity of the absence is required. In addition, each day of such absences used will count as two days used. Using more than three consecutive days for leaves requires written description of the reason and necessity of the absence. Unused days will be added to the next year's personal leave days for accumulative to a total of six (6). Any additional unused days will transfer to sick leave. For the 2022-2023 school year, the two for one penalty shall not apply to Thanksgiving or Spring Break if the school calendar is changed

in a manner that affects the dates of Thanksgiving or Spring Break due to any emergency closure of school.

Teachers who have signed their sixth (6th) contract may borrow up to three (3) personal leave days from future school years so long as no more than six (6) personal leave days are taken in any one school year. Any borrowed days shall be repaid from future allocated personal leave before any additional days may be taken. If the teacher leaves employment of Goshen Community Schools, the value of any days not repaid shall be deducted from the teacher's last paycheck at the teacher's daily rate of pay.

#### B. SICK/FAMILY LEAVE

All teacher employees hired prior to May 1, 2011, shall be permitted to accumulate sick leave from year to year without limit. Newly hired teacher employees after May 1, 2011, shall be permitted to accumulate sick leave from year to year with a limit of one hundred fifty (150) accumulated sick leave days.

All teacher employees shall be allowed family leave, non-accumulative, to be deducted from the annually granted leave for serious illness, major surgery, birth/adoption of child, or serious accident involving the employee's "immediate family". The term "immediate family" shall be construed to mean spouse, children, sister, brother, mother, father, mother-in-law, father-in-law, grandfather, grandmother, grandchildren or any member of the family unit with legal residence in the member's household irrespective of relationship.

1. Each first-year teacher employed in the Goshen system will be granted fifteen (15) days of sick /family leave.
2. After the first year, all teacher employees shall be granted nine (9) days of sick/family leave per year.
3. For those teachers newly hired for the 2003-2004 school year and thereafter who seek retirement, the corporation shall only pay for those days transferred in at the time of retirement. Presently employed teachers and new teachers employed by Goshen Community Schools who have accumulated days in another public school corporation will transfer those days in at the rate of six (6) days per year after the first year.
4. Extenuating circumstances such as major surgery or serious accident involving a member of the employee's "immediate family" shall merit special consideration by the Board to extend the amount of family leave days beyond the maximum granted in one year.

Simultaneous deaths which qualify would result in only one (1) leave of up to five (5) school days without loss of compensation. Extenuating circumstances would qualify the teacher employee for additional funeral leave upon application to and approval by the Superintendent. Up to a total of one (1) day per year shall be granted for the funerals of close friends. For purposes of this Section C, a miscarriage or stillbirth shall be considered as a death of a child.

D. LEGAL LEAVE

A teacher employee subpoenaed to serve as a witness during regular working hours shall receive full compensation.

E. PRE-PLANNED PAY LOSS

Those employees seeking a pre-planned absence from teaching duties without pay shall submit a request for approval to the principal and superintendent.

The Board agrees to provide funds to pay approved expenses incurred by professional leaves. Teacher employees shall report the nature of professional meetings attended and give a resume of the program.

#### G. MILITARY RESERVE LEAVE

1. Any teacher employee, who as a reserve member of the armed forces of the United States, is called on to receive temporary military training, shall be entitled to a temporary leave, not to exceed federal guidelines in any one calendar year. If the training is available in the summer and the teacher chooses to attend during the school year, the teacher shall have deducted from his pay the amount received from the military service. Upon his return, he/she will be restored to his/her previous position without loss of sick leave or other benefits of employment.
2. Military Leave - A leave of absence not to exceed four (4) years shall be granted by the Board of School Trustees to any teacher who is required or may elect to enter the military service. The teacher employee shall present himself/herself for reinstatement within the period provided by Federal Statute after honorable discharge or release from active participation in such service and shall thereupon be reinstated. 2. FMLA leave, if applicable, shall run concurrently with any available accrued paid leave, including sick leave, personal leave, and sick bank days, when available.

3. During FMLA leave, the teacher shall suffer no loss of tenure, seniority, or any other rights enjoyed by the teacher.
4. Except in case of emergency, defined as an event occurring within twenty-four (24) hours of the start of the requested leave, the teacher shall give reasonable notice of the intent to take such leave.
5. Accumulated paid leave (including sick leave and personal leave) may be used for FMLA days for the care of the teacher's child (birth, or placement for adoption or foster care)

Additional days may be granted for the purpose of negotiations at the discretion of the superintendent or designee. During negotiations if GEA and GCS agree to use contracted hours/days, teachers on the bargaining team will submit professional development leave forms to their school administrator and the day will be granted as a professional leave day.

#### J. SUMMER SCHOOL SICK LEAVE & PERSONAL LEAVE

Summer school is a unique and separate contractual obligation, and to that end the following sick leave and professional leave procedure will prevail.

1. If it becomes necessary for a summer school teacher to be absent for sick/family leave for up to 5 days, the employee's sick time will be used. Typically, summer school is a half day schedule, and therefore, an absence during summer school would equate to use of a ½ sick day. These sick days shall be deducted from the teacher's accumulated (previous year's) sick days.
2. Each certified summer school teacher shall be eligible to use one (1) day for personal leave day for emergencies or pre-planned leaves. This personal leave day shall be deducted from the teacher's accumulated (previous year's) personal leave days (as a half day).
3. Absences in excess of five (5) days (for any reason) will result in full deduction of summer school salary for those days.

4. Professional Leave may be granted, but no provision will be made for salary payment for those days, unless the professional development is a requirement of the employee's position.

K. SABBATICAL LEAVE

1. Sabbatical leave for study, travel, or research may be granted by the Board to teacher employees who have completed six (6) years of service in the school corporation. Such leave may be granted under the following conditions:
  - (a) Each year one (1) percent of the teaching staff who are eligible may be granted sabbatical leave.
  - (b) A sabbatical leave may be granted for one (1) semester, one (1) full year, or the last semester of the next school year.

    - (1) No member shall apply in an attempt to gain a Master's Degree.

    - (3) Members to be granted leaves must be pursuing a course of study.
  - (e) Such compensation shall be paid to the member by the following method:
    - (1) one-half (1/2) during the first semester of the first year a member returns to the Goshen Community Schools.
    - (2) one-half (1/2) during the second semester of the first year a member returns to the Goshen Community Schools.

    - (4) Members granted sabbatical leave shall advance on the salary schedule as provided in the Compensation Model under Article IX.

L. OTHER LEAVES

Any teacher employee after having completed three (3) years of duty (except military and pregnancy leaves) may request, and the Board of Education may grant, a leave of absence, without pay, for a maximum of one (1) year (except for military leave).

1. RETIREMENT. When and to the extent permitted by law and applicable plan provisions, during a leave of absence the teacher employee will be allowed, at the teacher's expense, to add to his/her retirement fund.

- (g) Time for appearance before a judicial body or legal authority as a result of assault by a student or outsider will not result in loss of wages or in reduction of accumulated sick leave of the teacher.

## N. PARENTAL LEAVE BENEFIT

Goshen Community Schools will provide up to 1 week (5 days) of paid parental leave to employees following the birth of an employee's child, surrogacy, or the placement of a child with an employee in connection with adoption or foster care. The purpose of paid parental leave is to enable the employee to care for and bond with a newborn or a newly adopted or newly placed child. This policy will run concurrently with Family and Medical Leave Act (FMLA) leave, as applicable. This policy will be in effect for births, adoptions, or placements of foster children occurring on or after January 1, 2024.

### 1. Eligibility

Eligible employees must meet the following criteria:

- (a) Have been employed with GCS for at least 12 months (the 12 months do not need to be consecutive).
- (b) Have worked at least 1,250 hours during the 12 consecutive months immediately preceding the date the leave would begin.
- (c) Part-time employees shall be entitled to this benefit at a pro-rated basis.

In addition, employees must meet one of the following criteria:

- (d) Have given birth to a child.
- (e) Be a spouse of a woman who has given birth to a child.
- (f) Have adopted a child or been placed with a foster child (in either case, the child must be age 17 or younger). The adoption of a new spouse's child is excluded from this policy.
- (g) Are a parent through a surrogacy.

### 2. Amount, Time Frame, and Duration of Paid Parental Leave

- (a) Eligible employees will receive a maximum of 1 week (5 contracted days) of paid parental leave per birth, adoption, or placement of a child/children. The fact that a multiple birth, adoption, or placement occurs (e.g., the birth of twins or adoption of siblings) does not increase the 1 week (5 contracted days) total amount of paid parental leave granted for that event. In addition, in no case will an employee receive more than 1 week (5 contracted days) of paid parental leave in a rolling 12-month period,

- regardless of whether more than one birth, adoption, or foster care placement event occurs within that 12-month time frame.
- (b) Each week of paid parental leave is compensated at 100 percent of employee's regular, straight-time weekly pay. Paid parental leave will be paid on a biweekly basis on regularly scheduled pay dates.
  - (c) Approved paid parental leave may be taken at any time during the 3-month period immediately following the birth, adoption, or placement of a child with the employee. Paid parental leave may not be used or extended beyond this 3-month time frame.
  - (d) Employees must take paid parental leave in one continuous period of leave and must use all paid parental leave during the 3-month time frame indicated above. Any unused paid parental leave will be forfeited at the end of the 3-month time frame.
  - (e) Employees must take paid parental leave in one continuous period of leave and must use all paid parental leave during the 3-month time frame indicated above. Any unused paid parental leave will be forfeited at the end of the 3-month time frame.
  - (f) Upon termination of the individual's employment at the company, he or she will not be paid for any unused paid parental leave for which he or she was eligible.

### 3. Coordination with Other Policies

- (a) Paid parental leave taken under this policy will run concurrently with leave under the FMLA; thus, any leave taken under this policy that falls under the definition of circumstances qualifying for leave due to the birth or placement of a child due to adoption or foster care, the leave will be counted toward the 12 weeks of available FMLA leave per a 12-month period. All other requirements and provisions under the FMLA will apply. In no case will the total amount of leave—whether paid or unpaid—granted to the employee under the FMLA exceed 12 weeks during the 12-month FMLA period. Please refer to the Family and Medical Leave Policy for further guidance on the FMLA.
- (b) After the paid parental leave (and any short-term disability leave for employees giving birth) is exhausted, the balance of FMLA leave (if applicable) will be compensated through employees' accrued sick, vacation and personal time. Upon exhaustion of accrued sick, vacation and personal time, any remaining leave will be unpaid leave. Please refer to the Family and Medical Leave Policy for further guidance on the FMLA.
- (c) GCS will maintain all benefits for employees during the paid parental leave period just as if they were taking any other GCS-paid leave such as paid vacation leave or paid sick leave.
- (d) If after using paid parental leave the employee fails to return to work, the participant agrees to reimburse GCS for paid parental leave days. This policy will follow the Sick Leave Bank Language Article II, part D—Repaying the Days Borrowed.

#### 4. Requests for Paid Parental Leave

The employee will provide his or her supervisor and the human resource department with notice of the request for leave at least 30 days prior to the proposed date of the leave (or if the leave was not foreseeable, as soon as possible). The employee must complete the necessary HR forms and provide all documentation as required by the HR department to substantiate the request.

## II. SICK LEAVE BANK

The Board of Education of Goshen Community Schools agrees to provide a Sick Leave Bank in cooperation with the Goshen Education Association. The Sick Leave Bank is one in which a participant in the Bank may borrow a limited number of sick leave days with full pay in case of emergency.

A statement by the attending physician verifying the nature of the illness and the disability shall be required of the participant in order to borrow from the Sick Leave Bank. A statement by a second physician may be required upon the recommendation of either the Board or Association provided that such physician shall be approved jointly by the Board and the Association, and the applicant shall bear the physician's costs.

Specific stipulations of the Sick Leave Bank are as follows:

### A. PARTICIPATION

All certified personnel of Goshen Community Schools will be enrolled in the Bank. The first year of employment upon hire each certified person shall donate three (3) of his/her accumulated and credited sick leave days to the Bank. Part-time employees shall donate days on a pro-rated basis and receive benefit on a pro-rated basis.

### B. ESTABLISHING THE BANK

1. All donated days are a permanent contribution to the Bank and are not transferable to another school corporation should a participant leave the Goshen Community Schools' employment.
2. Certified employees will not need to donate additional days to the Bank unless it is deemed necessary to keep the bank operative. The GEA Executive Council shall have the responsibility to determine whether or not additional days will be donated.
3. All participants and days will be kept in a Sick Leave Bank Ledger available to be audited by the Board of the Association at the beginning of each month. Participants' individual service record will show the

deduction for days donated to the Bank. Record keeping will be done in the Central Office.

4. At the conclusion of each school year, the Sick Leave Bank's unused days will be carried over to the next school year.

#### C. BORROWING FROM THE BANK

1. Application to borrow from the Sick Leave Bank must be made on the official Sick Leave Bank application and Agreement Form, (SLB Form #2) and a physician's statement should be attached.
2. Sick leave days previously accumulated must be used prior to borrowing from the Sick Leave Bank; however, the teacher may choose to set aside up to 5 days of any of the accrued paid leave to be excluded from being used concurrently. Except to the extent that this provision deals with compensation, it was not bargained and is included for information purposes only.
3. Borrowing from the Bank can only be allowed for absences of one (1) or more consecutive working days due to an illness or disability.
4. The Sick Leave Bank may be used only for the personal illness of a participant.
5. A participant may borrow up to sixty (60) days per year, but not more than one hundred eighty (180) days during employment with the Goshen Community Schools.
6. Application to borrow from the Sick Leave Bank may be made by a personal representative of a participant in cases where the participant is unable to do so.

#### D. REPAYING THE DAYS BORROWED

1. A participant agrees to repay the Sick Leave Bank from his/her credited sick leave days at the rate of two (2) days per year upon returning to active employment with the Goshen Community Schools. An additional two (2) days will be paid back if at the end of the school year the teacher has two (2) unused sick days left. No more than a total of four (4) sick days will be paid back during a school year.
2. A participant that is capable of returning to active employment with Goshen Community Schools but fails to do so shall repay Goshen Community Schools for the sick leave days borrowed. The amount to be repaid shall equal the amount that a substitute teacher would have been aid

during the time the participant borrowed from the Sick Leave Bank. If the participant cannot immediately pay the full amount due, the participant shall enter into a promissory note payable to Goshen Community Schools requiring the payment of an amount up to seven substitute days per year with the remaining balance due in full after five years.

3. If a participant returns to work at Goshen Community Schools but retires or goes to work for another employer before repaying his or her sick leave days, and the participant cannot immediately pay the full amount due, the participant shall execute a promissory note in favor of Goshen Community Schools requiring the payment of an amount up to seven substitute days per year with the remaining unpaid balance due in full after five years.

If Goshen Community Schools must pursue collection efforts, it shall be entitled to recover its reasonable attorneys' fees and costs.

4. In the case of a continued disability or in the event of death, it is understood that the participant, participant's family, or estate will have no obligation in regard to this agreement. Continued disability is to be verified by a Board and Association approved physician.

### III. SPECIAL EDUCATION AND ENGLISH LEARNERS TEACHERS

Special Education and English Learners teachers shall be provided with release time for the completion of required paperwork. Days can be used in either half day or full day increments. Any special education or English Language teacher may request up to five days with approval from the building principal. A special education or English Learner teacher with a caseload of over 30 students may ask the school principal and the EL director for permission of additional days if necessary (up to three additional days).

## APPENDIX E

### GOSHEN COMMUNITY SCHOOLS SELF-FUNDED HEALTH BENEFIT PLAN

- I. The Board shall establish and maintain for the benefit of teachers (and, if the Board so decides in the exercise by the Board of its sole discretion, other employees of the school corporation) a self-funded health insurance plan. The Association may require that a separate plan for teachers and teacher retirees only be established at the beginning of any calendar year if the Association gives the Board at least three months' advance notice of its desire for a separate teachers' plan. Upon separation and after all claims incurred but not paid or reported as of the end of the year prior to separation and all other expenses of the plan for the year prior to separation have been paid, the balance in the agency account shall be allocated equitably between the teachers' plan and the successor plan for other employees of the school corporation based upon the amounts of premium paid on behalf of teachers and teacher retirees, on the one hand, and on behalf of other employees and other retirees on the other hand, in the preceding three years by both individuals and the school corporation, whether under a self-insured or a fully insured plan.
- II. The features of the plan, including the identity of third-party contractors and insurers, coverages, deductibles, exclusions, limits of liability, premiums, claims procedures and appeal procedures, etc., shall be determined as follows:
  - A. An insurance committee composed of such administrators as the Superintendent shall appoint and such officers and members of the Goshen Education Association as the Association shall select will gather and examine pertinent information, obtain appropriate advice and develop recommendations regarding the features of the plan for the next calendar year or midyear changes in particular features, as the case may be.
  - B. Minor administrative changes in the plan or changes required in order to make the plan compliant with the law may be made by approval of the Board of School Trustees in accord with the mutually agreed upon recommendation of the insurance committee. "Mutually agreed upon" means that each side must cast their vote in favor of any changes for the action to be approved. GEA will have one vote and the administration acting on behalf of the School Board will have one vote.
  - C. Otherwise, the features of the plan may be established, and changes of particular features may be made, by resolution of the Board of School Trustees only after the insurance committee has first mutually agreed upon the changes.
- III. The financial features of the self-insured health benefit plan which shall be in effect for the 2004 calendar year and thereafter are as follows:

- A. Individual and aggregate stop-loss insurance with an A- or better rated Insurance Company, having an individual attachment point (applicable to all individuals equally in 2005 and thereafter) of at least \$175,000 and an aggregate attachment point for all self-funded benefits no greater than 125% of estimated claims.
- B. Establishment of a separate self-insurance fund to be utilized exclusively for the self-insured health benefit plan, the same to be established under authority of IC 21-2-5.6-1(2) in compliance with IC 20-5-2.5-4
- C. Establishment of an agency or trust account with a financial institution selected by the Board of School Trustees into which premiums shall be paid as due and from which a mutually agreed upon third party administrator (TPA), may draw to pay plan benefits and expenses.
- D. Adherence by the Board of School Trustees to the following policies:
  - 1. That the school corporation shall transfer into the agency account each month its share of premiums for that month as agreed to in the current Master Contract (and as it may undertake to pay with respect to employees other than those represented by the Association) less any credits to which the school corporation may be entitled under subsection E below.
  - 2. That the school corporation shall transfer each month into the Agency account the premiums for that month paid by individuals covered under the plan.
  - 3. That no monies deposited in the separate 110 fund shall be utilized for purposes other than the plan or any successor plan. (unless due as a refund of unearned premium as in the case of an individual who prepays for a term and then dies before the end of the term).
  - 4. That in no event shall any assets of the agency account be used for purposes other than for the exclusive benefit of the employees of the school corporation, including the payment of claims under the plan or any successor plan, related administrative expenses and premiums for insurance; no money in the agency account will ever revert to the school corporation or any individual payor of premium as a refund of premium.
  - 5. That, in the event of a need to pay claims or other expenses of the plan in excess of the plan's assets in the agency account, the school corporation shall loan to the plan from its general fund (or such other fund as may be available) monies in amounts sufficient to pay claims and the other expenses of the plan as they become due; that such loans shall bear no interest; and that such loans shall be repaid as soon as the plan's assets in the agency account are sufficient to meet the plan's current obligations and effect

repayment as well, any such repayments to be taken as credits against the school corporation's premium obligations.

6. That the expenses of the plan, including the payment of claims, the payment of premiums for individual and aggregate stop-loss insurance, the payment of the Third Party Administrator's fees and claims for reimbursement, the payment of fees charged by the financial institution holding the agency account, the payment of the insurance consultant approved by the insurance committee and employed by the school corporation, the premium of the fiduciary liability insurance policy for the appeals committee, and the payment of any other administrative expenses of the plan as approved by the insurance committee, shall be paid out of the agency account.
7. That all interest or other income earned with respect to assets in the agency account shall remain in the agency account.
8. That any benefits paid by the stop-loss insurer and any refund of unused premium paid by the stop-loss insurer shall be deposited directly into the agency account.
9. That the school corporation shall provide to the Association:
  - (a) a monthly report showing the number of participants in each category of participants for the month, the total monthly premium for each type of participant, and the total premium (including both the school corporation's contribution and all individual contributions) transferred by the school corporation into the agency account for the month;
  - (b) the monthly report of the third-party administrator, showing the totals of all expenses paid for the month by category and all claims made against the stop-loss insurer, but not showing amounts of claims paid specifically on behalf of individual named participants or their dependents;
  - (c) the monthly report of the financial institution holding the agency account, showing income and outgo for the month;
  - (d) copies of all contracts with independent contractors entered into by the school corporation in connection with the self-funded health insurance plan, including without limitation the contract with the third-party administrator, the contract with the stop-loss insurer, the contract establishing the agency account with a financial institution and the contract with the professional insurance advisor, if any; and

- (e) any other records the Association may request relating to the past or prospective compensation of independent contractors who provide services or insurance in connection with the self-funded health insurance plan.
  - 10. That, with respect to persons insured under the self-funded health insurance plan, primary liability for any wrongful denial of a claim by the third-party administrator, the stop-loss insurer or any appeal panel of the third-party administrator or the school corporation shall lie with the school corporation, which in turn may pursue such remedies as it may have against the third-party administrator, the stop-loss insurer, and any other insurer, person or entity which may be liable as wrongdoer, indemnitor or otherwise.
  - 11. Insurance coverage for new employees begins the first of the month after their first contracted working day.
- IV. For purposes of this agreement, the term “premium” has its conventional meaning when referring to a fully insured health and dental benefits plan, but when referring to a self-insured health and dental benefits plan means the portion of the budgeted amount required to pay all costs of the plan for the calendar year which is allocated to an employee, a person subscribing for COBRA coverage or a retiree for a particular type of coverage (such as single coverage, coverage for the employee and the employee’s spouse, etc.)
- V. As developed and analyzed by the school corporation’s insurance committee with the possible assistance of a professional insurance advisor and the TPA, the premium charged will be based upon a consideration of the following factors:
- A. the plan design;
  - B. claims history;
  - C. medical cost trends;
  - D. the premium charges for individual and aggregate stop-loss insurance;
  - E. administrative expenses (fees for professional advice, fees of and reimbursements to the Third Party Administrator, fees of the financial institution holding the agency account, printing of the benefit plan book, etc.);
  - F. covering by premium at least 100% of expected claims if the fund is fully reserved (the fully reserved amount [incurred but not reported {IBNR}claim fund] will be determined by mutual agreement of GEA and GCS with input from the professional insurance advisor) and

- G. by maintaining in the Operating and Premium Stabilization Funds at least an operating balance of 40% (estimated amount ~ \$2.7 million) of the previous year's claims.

On or before December 1 of each year, the insurance committee shall adopt, on the basis of the factors hereinabove set forth or such other factors as the committee may deem appropriate, a recommendation for premiums to be charged with respect to the several categories of participants during the following year, so that the Board of School Trustees may approve premiums for the following year at its regular December meeting.
